

Suits That Make You \$27.50

LOOK LIKE \$40.00.

The Star Suit value of the town. If you have examined the suit values shown throughout the city, you know what kind of a suit you can get for forty dollars. Now you can get such a suit here for \$27.50.

We must dispose of our suit stocks at once. The unseasonable weather has forced us to unload. For quick action we have dug deeper than profit alone. We have cut off part of the cost to attract immediate action. Wonderful value in suits for men and young men worth \$40 and more, at \$27.50.
